RE: Free Legal Clinic, Lewis County

Dear Mayor Liendecker:

The monthly clinic offering free legal services in Lowville, New York is on **Thursday, October 2, 2014**. The clinic is at the Lewis County Courthouse, 7660 N. State Street, Lowville, New York, from 9:00am to 4pm.

Our free legal services are available to a wide range of individuals and families, with incomes at or below 200% of the Federal Poverty level. For instance, a family of 4 with gross annual income of \$47,700 may qualify for our free services.

If your constituents or clients have legal problems related to housing, education, public benefits, consumer debt or access to healthcare, or simply need to confer with an attorney for guidance, please remind them that we are available to serve them. We also help people find legal counsel in areas we do not handle, especially if other programs provide for free legal services.

As always, you or your clients and constituents can call me directly with questions or needs for service, at 315-793-7105.

Sincerely,

Legal Services of Central New York
